WINE LIST

“I drink champagne when i’m happy and when i’m sad.
sometimes i drink it when i’m alone.

when i have company i consider it obligatory.
i trifle with it if i’m not hungry and i drink it when i am.

otherwise, i never touch it - unless i’m thirsty.”
- Madame Lily Bollinger

SPARKLING

- nv ca'del bosco 'cuvée prestige' franciacorta, lombardy, italy 150
italy's version of champagne!
ca'del bosco 'cuvée prestige' is made from over 130 different vineyards in the franciacorta region of Lombardia, all vinified separately and blended with the reserve wines from the best vintages. a very elegant & fresh sparkling wine, made in the image of champagne, but with italian style

WHITE

- 2013 le rocher des violettes 'la negrette' chenin blanc, montlouis, loire 110
for some reason, chenin blanc is almost completely ignored by australian winemakers. we love all the other french varieties that our british founders left us with - but chenin was ignored. this lovely wine from the heart of the loire valley is a classic: just ripe pineapple, pears and a touch of damp wool on the nose, with some fresh acidity to keep everything in check.

ROSÉ

- 2016 domaine du gros 'noré mourvèdre-grenache-cinsault, bandol 130
the south of france has elevated rosé to an art form, producing dry, aromatic rosés with a characteristic "onion skin" colour. In particular bandol, a tiny appellation near toulon on the provençal coast, is the region for gold standard rosés. This has dried herb, rose hips, and cherries on the nose, with plenty of palate weight to match the classic cuisine of this beautiful region - especially bouillabasse!

RED

- 2013 picardy 'tête de cuvée', pinot noir, pemberton, wa 149
picardy is a well established winery in the pemberton region western australia, just to the south of margaret river. it's run by the pannell family, pioneering founders of moss wood back in 1969. 'tete de cuvée' means 'best of the vintage' and stems from their love of premier and grand cru burgundy. savoury, complex and old world in style, this is always amongst the top pinot noirs from wa
- 2014 antiyal 'pura fe', carmenère, maipo valley, chile 95
a long forgotten bordeaux variety used mostly in blends, carmenère was virtually wiped out in france in the early 20th century, but was rediscovered in chile in the early 1990s. originally thought to be merlot, it is now grown and made under its own name. the antiyal 'pura fe' expresses intense purity of fruit with great concentration, and is both organic and biodynamic
